In compliance with U.S. COPYRIGHT and PATENT requirements, notification is hereby presented that no part of the literature, including depicted products, graphics & logos are to be copied, altered or used in any manner without the express written consent of, or contrary to the best interests of, Induction Lighting INC — © 2009.

Changes in Specifications

Induction Lighting, Inc. reserves the right to make engineering or dimensional changes from one edition of specification page(s) or price list to the next, with no prior notification. Induction Lighting, Inc. will not be obligated nor held liable to modify fixtures manufactured prior to these specification changes. Verify your specifications with the factory prior to release of order.

Limited Warranty

Induction lighting warrants all products sold to be free from defect in manufacturing, under normal and proper installation, storage and use, for a period of one (1) year from the date of shipment. Our guarantee liability extends only to the repair or replacement of the defective part, and no labor charges for correction of the defect by repair or replacement will be paid by unless prior written authority has been granted. After one (1) year from date of shipment, claims for defective components found to be in warranty should be made directly to the manufacturer through their local service center. Any costs incurred for replacement of defective components is the responsibility of and should be authorized by the manufacturer of component. No employee, agent, dealer or other person is authorized to give any warranties on behalf of the Company, nor to assume for the Company any other liability in connection with any of its products, except in writing signed by an office of the Company.
